

NINTH JUDICIAL DISTRICT VIRTUAL COURTROOM PROCEDURES

In response to the Governor's Chief Judge's and Chief Administrative Judge's mandate to reduce the density of court users in response to the unprecedented COVID-19 public health crisis, the Ninth District has designed the following plan to create a "virtual court" effective Monday, April 6, 2020, in all of the courts in the Ninth Judicial District for essential court proceedings. In all Essential court proceedings, all parties, Judges, court reporters, interpreters, etc. will participate by videoconferencing using Skype for Business (Skype).

I. GENERAL PROVISIONS

1. The Central Courthouse shall be open from 9:00 a.m. until 5:00 p.m., Monday through Friday.
2. The Central Courthouse shall be staffed with the minimum number of employees to ensure the ability to intake papers, operate Skype equipment, process orders, keep the court record, answer telephone inquiries, process the mail and maintain essential court functions.
3. Security shall be maintained at the entrance to the Courthouse and throughout the facilities, including courtrooms when in session.
4. Signs shall be posted at the entrance to every Central Courthouse notifying the public of the existence of the video appearance protocol and indicating that the court proceedings remain open to the public (with the understanding that social distancing shall be maintained at all times).

The District IT Department shall test all computer connections with the Designated Judge at least 3 days before the Judge sits. All court reporters have remotely tested their connections.
6. The Court Clerk shall be present in the courtroom. If the proceeding involves a defendant/self-represented litigant not in custody, the Court Clerk at the courthouse will establish the Skype call in the courtroom and the defendant/self-represented litigant shall appear via Skype from the courtroom. If possible, the defendant/self-represented litigant shall be encouraged to

appear by Skype video remotely. Each courtroom shall have a dedicated phone as backup.

7. The press/public shall be permitted in a designated location in the Courthouse and have access to video and audio of the proceeding. Press inquiries shall be directed in writing to the Administrative/Supervising Judge prior to the proceeding. 8. If the defendant/litigant requires the use of an interpreter, the Clerk shall contact the Language Line for languages other than Spanish.
9. If there is a need for an exception to these Virtual Courtroom Procedures, application shall be made by the Chief Clerk or Designated Judge to the Supervising Judge or to the Administrative Judge. VII. TECHNOLOGY

The Ninth JD Technology Department, under the leadership of Principal LAN Coordinator, Valerie Buzzell, is developing a remote access plan for all courts in the Ninth JD as follows:

1. **General mailboxes:** One general mailbox will be established for each of the Courts in the Ninth JD. For example, any mail/applications to be filed in Westchester County Family Court would be e-mailed to VirtualWestchesterFamilyCourt@nycourts.gov. A similar e-mail will be set up for the Supreme, County and City Courts. The only exception will be in Putnam County, which is a relatively smaller multi-hat court. Putnam County will have one general mailbox for all matters (VirtualPutnamMultiCourt@nycourts.gov).
2. **Skype for Business:** The technology department is also working on making sure that all duty judges have access to Skype for Business. This will be made available to all parties involved in an essential case either by access to a skype link and/or phone number to be distributed by the clerks.
